What sparked your interest in helping up with a Great Idea?
I saw a Facebook ad where some communities shared their success stories and thought it would be a great opportunity to help our community. Heritage Fund has some amazing projects using social media to raise funds, the goal of which is to create a sense of community and to bring people together.

What is the most interesting social media site that inspires you to give?
I find Pinterest to be a fun way to share ideas and see what others are doing. It inspires me to see how other people use it to promote their causes and to reach out to their communities.

What is your favorite thing about giving back?
I love the feeling of giving back and knowing that my contributions are making a difference in people's lives. It's rewarding to see the impact that my donations have on the people who receive them.

What is the best thing about giving back to your community?
The best thing about giving back to my community is seeing the positive impact that my contributions have on the community at large. It's important to me to support local organizations and to help others in need.

How do you think Heritage Fund helps people be more philanthropic?
I think Heritage Fund helps people be more philanthropic by providing a platform for people to come together and to work toward a common goal. It's a great way to encourage people to give back and to support their community. It also helps to create awareness and to spread the word about the importance of giving back.

What is the best thing about giving to Heritage Fund?
The best thing about giving to Heritage Fund is the feeling of satisfaction that comes with knowing that your contributions are making a difference in people's lives. It's rewarding to see the impact that your donations have on the people who receive them.
