

AEI YOUTH SPORTS FUND

**DON'T LET THE
COST OF SPORTS
KEEP KIDS FROM
PARTICIPATING!**

AEI, in partnership with Heritage Fund, is providing financial assistance for Bartholomew County youth to participate in athletic and fitness programs.

Kids' sports can be expensive! Has your child or another youth who you know always wanted to play some type of sport, but the cost has kept him or her from participating?

Apply for partial or full funding of their fees from the AEI Youth Sports Fund and give them a chance to play! Youth, parents, clubs, teams, and others are eligible to apply for grants to support youth ages 18 and under in Bartholomew County.

Grants will include assistance for but not limited to: lessons, clinics, travel, equipment, program fees, dues, etc. Grants will be considered based on financial barriers to participation.

Fall/Winter sport applications for individuals will be available online beginning September 1. Deadline for applications will be October 31 with grant awards announced in November – suggested grant requests: \$50-\$2,000.

Organizations can apply for funding beginning January 1. Deadline for applications will be February 29 with grant awards announced in March – suggested grant requests: up to \$5,000.

For more details or to apply online visit heritagefundbc.org.
