

Women's Giving Circle Women Rising Leadership Grant Application and Criteria

The Women Rising Leadership Grant was established in 2020 by the Women's Giving Circle of Bartholomew County to invest in the leadership growth of women and increase the number of women in leadership positions throughout our community. We know that the unique perspective and diverse skill set that women possess add value at every level of an organization and that women's voices deserve, and need, to be heard. The scholarship is administered by Heritage Fund – the Community Foundation of Bartholomew County.

Grants are available to women passionate about community leadership, to assist in the costs of obtaining and/or providing leadership training. The grant may be used to cover items such as, but not limited to, leadership training program tuition, leadership seminar registration fees, book materials and other resources, childcare, and travel expenses. Applicants will be asked to submit a proposed budget with their grant application. Applications for The Women Rising Leadership Grant will be available beginning Nov. 2nd, 2020, and will be awarded on a rolling basis until funding is gone.

Recipients will be chosen on the basis of personal circumstances and potential, and the likely impact of the scholarship on improving women's representation in community leadership.

Criteria:

- Applicant must be a woman living or working in Bartholomew County.
- Applicant must demonstrate need and the proposed budget must align with the WGC goals of investing in the leadership growth of women and increasing the number of women in leadership positions.
